

TAP FM News

International Awareness Week - - Monday 10th—Saturday 15th September 07

Due to unfortunate circumstances TAP FM will not be doing any awareness stands for the September Awareness Week this year.

However, if you would like to do your bit to help promote awareness wear your badge and ribbon so that when people ask you what it is, you will be able to tell them about Fibromyalgia or point them in the right direction to the support group.

TAP FM also have new leaflets and posters which need to be distributed into Doctors Surgeries, Dentists waiting rooms, Clinics and any where else we can get them.

There are posters with the group information which can be put up in surgeries, clinics, and notice boards any where we can get them.

Can you remember the first time you found out about the support group? How pleased you were to get some information? To find out you were not the only one in the world to have it?

You can help other people who do not know that there is a support group and there is a whole host of information that they can get to help them cope with their Fibromyalgia.

The best way to find out about this illness is to talk to other people who can relate to you and understands your difficulties trying to cope with Fibromyalgia.

Go on—Do your bit to Help!!

Sponsored Walk

We are constantly being reminded that keeping active would be beneficial for people with Fibromyalgia.

Walking is reported to be the simplest and best form of exercise as one can do it at a pace to suit.

The committee thought it would be a good idea to have a "Sponsored Walk" to raise funds for the Group.

This would be over a short distance, nothing to taxing for the members, their friends and family.

Where ever it is to be held, it would be nice to end where we could all have a well earned cup of tea.

The date has been arranged -

21st October 2007

Walk"

Readers' Letters

Reader's Letters

Dear Ed

I have been a member for a few years and wondered why I didn't receive my monthly newsletter. When I phoned to enquired I was asked if I renewed my membership. Yes!! You've guessed it.

I had forgotten to renew my membership. The group is quite right to only send out newsletters to people who have renewed their membership as all paperwork costs money. The committee all do a good job and we would be lost without your support.

Many thanks!!

Reader's Letters/ cont

Dear Ed,

Thought I would write to say thank you for the newsletters, I enjoy reading them each month. It's a great way to keep in touch with what's going on at the group

Fibro Fog

My friends and I were out for a meal and thought I would like to have the Ravioli. When the waiter came for the order I politely asked for the Rabbitolli

Without batting an eyelid, he asked if that was the one with the fluffy bunnies.

We laughed so much we could hardly eat our meal
